The Mission of Missouri Main Street Connection

is to enhance the economic, social, cultural and environmental well being of historic downtown business districts located in Missouri's diverse cities and towns, through education using the Main Street Four-Point Approach™ as developed by the National Trust for Historic Preservation.

Who we are and what we do

Missouri Main Street Connection partners with the National Trust for Historic Preservation's Main Street Program and the Missouri Department of Economic Development. MMSC is the accrediting agency and the coordinating program for the Main Street™ communities in Missouri. With combined resources, MMSC delivers direct technical services and support to participating Main Street communities. MMSC provides tools to revitalize Missouri communities into sustainable communities. We believe that a prosperous, sustainable community is only as healthy as its core downtown.
