PRESS RELEASE

Lexington Receives Downtown Revitalization Grant from Missouri Main Street

Contact: Gayla Roten, State Director, Missouri Main Street Connection, Inc.
PO Box 1066, Branson, MO 65615; phone: 417-334-3014.

Lexington, MO has been selected in a competitive application process to participate in a cost-sharing Affiliate Grant that provides training, mentoring, and technical services to revitalization programs in Missouri's historic commercial districts. The grant is provided by Missouri Main Street Connection, Inc. (MMSC)

MMSC staff will visit with Lexington's downtown community leaders to evaluate existing and future needs of the downtown, and then schedule a series of customized training and mentoring sessions equipping them to concentrate on their local revitalization goals. **The goal of the grant** is the development a sustainable, volunteer-based organization that will carry out an economic development program based on the preservation of historic assets in the downtown, using the Main Street 4-Point Approach® to Revitalization.

With support from MMSC, the Lexington revitalization group anticipates:

- Building upon its historic assets – the Battle of Lexington State Historic Site, and many antebellum structures located with four historic districts – as the foundation to expand on heritage tourism.
- Recruiting businesses that will serve residents and visitors, plus creating new jobs.
- Making creative use of volunteers who are eager to participate in positive change for the community.

During the next two years MMSC will provide Lexington with training and mentoring to establish a revitalization organization that will engage the entire community as a participant and beneficiary. The group also will attend regional revitalization workshops and conferences conducted by MMSC.

The Affiliate Grant is a 40/60 match, requiring the community to contribute 40% of the cash value of the services. The total value of the grant in training and mentoring services is \$24,000. Lexington also is now designated as an Affiliate in the Missouri Main Street Tier Structure which ranks progress on standards established by the *National Trust for Historic Preservation's Main Street Center*. MMSC currently provides revitalization training and mentoring to 159 communities in Missouri, plus Main Street® accreditation services.
