LEADING MAIN STREET NEWS of the Month

Resource

- Local leaders from three states have created a flexible work plan complete with assessment tools, action ideas, and work plan templates for each committee. **The Recovery Action Plan** is simple – one document, easy to edit, yours to use.
- Cole County Health Department has published a COVID-19 **Pools & Gyms Recommended Guidance** and employee entry screening questionnaire.

Reinvent

- Randy Wilson provided some helpful **design resources and references** as we reimagine downtown.
- **All-Starz Barbershop** in Warrensburg has gone above and beyond to protect their customers and staff, including completing the Barbicide COVID-19 certification.
- The **Chillicothe Chamber of Commerce** is hosting a virtual 5k to raise money.

Recover

- Join MMSC on Wednesday, June 3 at 8:30AM for **Mornings on Main**. This webinar will focus on rules of thumb to help recession and pandemic proof your communities to develop more resilient places in the future.
- The **City of Blue Springs** has approved an ordinance that will allow businesses to modify their seating and includes outdoor seating. This new ordinance does require a permit from the city.
