PRESS RELEASE

Festus and Crystal City Receive Downtown Revitalization Grant from Missouri Main Street

Contact: Gayla Roten, State Director, Missouri Main Street Connection, Inc.
PO Box 1066, Branson, MO 65615; phone: 417-334-3014.

The Historic Tanglefoot Association has been selected in a competitive application process to participate in a cost-sharing Affiliate Grant that provides training, mentoring, and technical services to revitalization programs in Missouri's historic commercial districts. The grant is provided by Missouri Main Street Connection, Inc. (MMSC)

MMSC staff will visit with Festus and Crystal City's downtown community leaders to evaluate existing and future needs of the downtown, and then schedule a series of customized training and mentoring sessions equipping them to concentrate on their local revitalization goals. MMSC State Director Gayla Roten noted "MMSC is excited to work with the communities of Festus and Crystal City to revitalize their very unique downtown."

The goal of the grant is the development of a sustainable, volunteer-based organization that will carry out an economic development program based on the preservation of historic assets in the downtown, using the Main Street Four-Point Approach® to Revitalization.

With support from MMSC, Historic Tanglefoot Association anticipates:

- Utilizing the unique character of the district to attract new economic activity.
- Bringing the power and resources of two communities together to preserve and revitalize the historic district.
- Developing new partnerships with residents and local businesses to implement a shared vision for downtown.

During the next two years MMSC will provide Festus and Crystal City with training and mentoring to establish a revitalization organization that will engage the entire community as a participant and beneficiary. The group also will attend regional revitalization workshops and conferences conducted by MMSC.

The Affiliate Grant is a 40/60 match, requiring the community to contribute 40% of the cash value of the services. The total value of the grant in training and mentoring services is \$24,000. Warrenton also is now designated as an Affiliate in the Missouri Main Street Tier Structure which ranks progress on standards established by the *National Trust for Historic Preservation's Main Street Center*. Throughout its history, MMSC has served over 178 Missouri communities.
